FREELANCE WORK EXPERIENCE

Freelance Web Designer (2012 – present) | **Portfolio:** www.padraigstapleton.net

Latest projects include:

- ▶ **Longford Town FC** | lafc.ie
I currently manage the web design and maintenance of the League of Ireland official club website. Recent work included a website refresh to be more mobile/tablet friendly, new imagery and typography. Additionally, I manage the social media portfolio for the club across Facebook, Twitter and YouTube and am responsible for community engagement and promoting the club
- ▶ **Mary Jane Newton** | maryjanenewton.com
Created blog design for this Hong Kong-based poet
- ▶ **Gaelic Football programmes for London Gaelic Athletic Association**
I produced, designed and did the pre-press for the match programmes in conjunction with London GAA

WORK EXPERIENCE

Mac Operator (Contract) | *March 2015 to present*

Impression UK | Horton Road, West Drayton, UB7 8EN

- ▶ This company specialises in large format printing and display, and I am responsible for pre-press of the supplied artwork, making sure everything has been supplied correctly and is consistent with the processes of litho and digital billboard production
- ▶ Oversaw transition to the new company-wide Production Suite program, including creating new templates and training staff members

Reprographics Operator (Contract) | *July 2014 to November 2014*

Williams Lea/Bank of America Merrill Lynch | 2 King Edward Street, London EC1A 1HQ

- ▶ Key member of a large reprographics team in one of the busiest print rooms in London
- ▶ Oversaw print layout and design of broad range of client work, including pitchbooks, leaflets, flyers and reports
- ▶ Oversaw quality control processes

Reprographics Operator (Contract) | *November 2012 – July 2014*

Schroders | Gresham Street, London, EC2V 7QA

- ▶ Print finishing including binding, laminating and copying
- ▶ On-site maintenance and keeping track of stock and ink levels and replenishing when necessary

Graphic Designer | *September 2011 to October 2012*

The Print Team | 95 Golders Green Road, London NW11 8EN

- ▶ Designed artwork for business and wedding stationery, menus, flyers and other marketing materials, including large format posters using Adobe CS5 packages
- ▶ Graphic design for in-house promotional posters and front-of-house digital signage
- ▶ Managed print-ready processes for customer-submitted files
- ▶ The creation of promotional presentations in Keynote, displaying the company's special offers and services for large TV screens for outdoor display
